Entering into the national phase
Checking of the patent application
Application No. / patent PCT/EP2004009051

Dear Sir or Madam,

I hereby apply in time for the checking of the patent application.

1. Costs: The costs will be settled within the prescribed time.

2. For the procedure chosen documents:

2.1 Published application documents and changed claim 105

2.2 Documents based to the international temporary checking report (inclusive exhibits)

Corrections as follows:

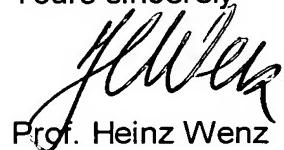

1. Informal statement on the investigation report from the 12-08-2004, from the 01-20-2005
2. Protest against the result of the investigation report from the 12-08-2004, from the 04-21-2005
3. My statement on the written notice of the administrative board, which is authorized to the international temporary investigation, from the 06-23-2005.
4. Addition to my statement from the 06-23-2005, 07-07-2005
5. Report 1 and opposition from the 11-25-2005
6. Letter EPA from the 12-02-2005

Verification report as follows:

Calculations and results from Prof. Dr.-Ing. B. Weidemann (head of the institute for Electrical Energy Technology/FB Electrical Machines/University Kassel) as proof for the mode of operation of the field force engine and of the field modulator.

All above mentioned documents and application forms for the procedure will be sent under separate cover.

Yours sincerely

A handwritten signature in black ink, appearing to read "H.Wenz".

Prof. Heinz Wenz
